Oh and @ChrissieBixler this just got sent straight to law enforcement. She laid out a plan PUBLICLY on how they would plant drugs whilst breaking into your house. Didn't Danny's bitch ass always talk about setting you up for drugs. 🤔 they want to play, let's play!

Yep, that was in the rapist's threatening letter to me. One of the things he'd tell people if I didn't shut my mouth. Said he'd tell everyone I'm a drug addict, that I tried to commit suicide 10 times, that I accused 7 famous men of raping me...if I didn't shut up about the rape.

(Continued internet sleuthing) - as far as I can tell, she's LA/Cali local so the LAPD should have zero problems getting in touch with her. Good luck lover.
